MEMORANDUM FOR: DIRECTOR, PSYCHOLOGICAL STRATEGY BOARD

SUBJECT : Approval of the Minutes of the 10th Meeting of the Psychological Strategy Board

1. The minutes of the 10th meeting of the Psychological Strategy Board have been noted. The following correction is suggested in the first line of page 4: change the word, "defector," to "escapee." This seems appropriate in order to be consistent with the previous sentences and the title of the subject under consideration. Current considerations are devoted exclusively to the settlement of escapees, and a defector inducement program might be inferred from the present language.

2. Subject to the above modification, the minutes are approved as submitted.
